Hair Fun with Barrettes

All girls need are few barrettes and scrunchies for tying back their hair, especially in the summertime when it is hot. But sometimes these hair ties look a little boring. Here is an easy and fun way to dress up those barrettes and scrunchies. All it takes is some colored ribbon or yarn, some special buttons or beads and some imagination!

What You Need

- Barrettes
- Colored ribbon or yarn
- Craft glue
- Special buttons or beads

How To Make It

Wrap the ribbon or yarn around the barrettes. Glue the ends well. Glue buttons or beads onto the barrette. Use your imagination! You can string beads onto the ribbon as you wrap, make bows or attach hanging ribbons with beads on them. Note: Try these fancy barrettes in your Cabbage Patch Kids's hair, too!
